IN QUALITY, SELECTION, & DESIGN

Design Details

50+ Patented and original collections plus industry standard designs in a wide variety of styles including Traditional, Transitional and Modern/Contemporary.

Heavier in Weight

Our designs have solid or flat backs, providing a comfortable feel in your hand.

Made from Quality Materials

Zinc/Zamak Alloy – A Zinc alloy that contains approximately 4% aluminum which provides excellent die castability and strength, resulting in a durable, corrosion-resistant product. Zinc is also a clean and recyclable material, making it eco-friendly.

Steel – durable and resistant to corrosion, providing a superior product.

Lifetime Warranty

Hardware Resources believes in quality, integrity and reliability by offering a lifetime warranty on all of our Jeffrey Alexander decorative hardware).
